Cultural Exchange

Free Camp

How does it work? We offer a free camp in exchange for your hospitality. If you are interested please go ahead and register for your camp location, select "Yes" to your homestay question and we'll go from there.

Our Coaches

Who are they? Each summer our coaches travel from across the world to work for FC Seattle. Although they come from many different backgrounds, they share the love of Soccer...or 'Football' as it is called in England. They all have extensive coaching experience & FA coaching qualifications. When our coaches arrive in Seattle it is usually their first time in the USA. They really enjoy the cultural exchange of staying with American families. At the end of the summer they leave with many fond memories and lifelong friendships.

Do they need entertaining? They are available to be with the family as little or as much as needed. They are usually ready to try anything, from mountain biking or water skiing, to just relaxing in front of the TV or listening to music. We just ask that you feed them, give them a place to sleep, laundry & shower facilities. If you have certain family restrictions or requirements you need to let them know when they arrive.

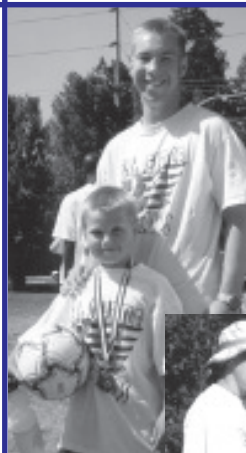

How long do they stay? Host families have the coaches stay for a week of camp (usually Sunday night). They leave the Homestay on Friday, unless other arrangements have been made and you invite them to stay for the weekend.

Homestays

FYI ~ The coaches have medical coverage in case of sickness, their own transportation, phone cards for International & local calls. They are expected to stay in contact with the office staff during the week so it is very much appreciated if they can use a home computer at some time during the week.
