## About Our Program

F.C.Seattle has been coaching boys & girls, of all ages, since 1984. We are happy to be back in the Valley and continue the friendships, fostered over the last 13 years. We have developed a very successful formula for the Summer Program; not only do we cater for the youngest members of the community, but we also have success at the older age levels. Our goal is to provide a program to suit each and every category of player, regardless of age, gender, or soccer ability.
